

## Studio Assistant Next Fashion Designing Internship

### Description

Are you a creative individual with a passion for fashion and design? If so, Next Fashion Designing is currently offering an exciting internship opportunity for a Studio Assistant in London. This internship is perfect for those looking to gain hands-on experience in the fashion industry and build their skills in a supportive and dynamic environment. Let's take a closer look:

As a Studio Assistant intern with Next Fashion Designing, you'll have the opportunity to work with some of the industry's most talented professionals and learn about the different aspects of fashion design, from concept to creation. You'll be responsible for providing support to the design team, ensuring that the studio runs smoothly and efficiently, and assisting with the creation of designs and samples.

### Responsibilities

- Assist with sample preparation and organization
- Help manage inventory and order supplies as needed
- Work with the design team to create and execute designs
- Help with fittings and assist with pattern-making
- Assist with the creation of tech packs and other design documentation
- Provide general administrative support as needed

### Qualifications

To be considered for this internship, you should meet the following qualifications:

- Currently enrolled in or recently graduated from a fashion or design-related degree program
- Strong organizational and time management skills
- Attention to detail and ability to multitask in a fast-paced environment
- Proficiency in Adobe Creative Suite, particularly Photoshop and Illustrator
- Fluency in English

### Experience

While prior experience in fashion design is not required, any relevant experience you have will be considered a plus.

### Skills

In addition to the qualifications listed above, the ideal candidate for this internship will possess the following skills:

- A passion for fashion and an understanding of the industry's trends and key players
- Strong interpersonal skills and the ability to work collaboratively as part of a team
- Creativity and a willingness to think outside the box
- Flexibility and adaptability in a dynamic work environment
